Stop War on Iran. The Middle East is spiraling toward catastrophe; press for action and join CND's urgent call for an immediate ceasefire, sanctions on Israel, and diplomacy to prevent a wider war; contact your MP: <https://cnd.eaction.org.uk/StopWarOnIran>.

Community as a Superpower. This Refugee Week we can remember Simple Acts that are everyday actions we can all do to stand with refugees and make new connections in our communities; for inspiration and more information go to: Simple Acts – Refugee Week.

Make Space for Nature. Since 1994 Scotland has lost more than 15% of its wildlife and many of us want to do more to help nature; gardens and patios are crucial, so - create a wild area, don't trim where birds are nesting, compost waste, avoid using peat etc - more ideas: <https://www.nature.scot>.

Ending Child Poverty. Welcome news this week that the Scottish government will, from next March, end the two-child benefit cap that prevents families claiming means-tested benefits for any third or additional children and so help keep 20,000 children out of relative poverty; <https://cpag.org.uk/news>.

Memorial Service for Yasin Abdelgader RIP.

Fr Jim will join the Imam from the central Mosque on Monday to commemorate Yasin. He was in P6 and just 10 when he passed away after a battle with a rare paediatric cancer. The school staff and community wanted to acknowledge him and his family (from Sudan) before term ends. They have set up a pupil award in his memory

This week, schools close and we can all take a deep breath Huge thanks to all staff at every level who support our schools and young people. To all our families, have a great rest. Fr Jim will be away for 2 weeks in July and various clubs and activities (including the Vigil Mass) will also be stopping.

Sunday Breakfast.

Its is great to see so many young families with toddlers and smaller children at the 9am Mass. We are proposing to start breakfast for every-

body once a month, so everyone will get a chance to meet over breakfast, and especially all these wee families get a chance to connect. We'll start in August when schools are back & hope you'll support!

11am Mass - the behaviour at this Mass is getting worse and it is embarrassing because it is being broadcast!. Noise levels are unacceptable. So too is the behaviour in the porch and cry chapel, reserved for small children, not for latecomers or random adults. If people used empty seats at front, everyone would get in.
