Parish Planning Calendar. That time of year again when we need to collate our information & planning dates for 2026. All groups & organisations asked to get your events to us by October 26th; we need to submit by October 31st to ensure we are on schedule to print

“Ten Lepers” - by James Christensen (2016.) captures today's gospel. A member of the Mormon church in California his work reflects his religious faith. He died of cancer the year after he painted the lepers. Look how he captures the chaotic screaming joy of the nine who are cured - rushing off to be reunited with loved ones and community, to show themselves to the priests. the nine men and women are overjoyed. And the solitary figure? Overawed by what has just happened - glancing back with mysterious reverence towards Jesus; their eyes lock - and the grateful leper simply whispers ‘thank you’

Our website & Social media in today's world are an essential way to spread the good news - how we are a living faith community that worships, serves and evangelises. We're not maximising our internet presence. One person has come forward to help and we're looking for others. ColeAd will offer a training session and we will then revamp and invigorate our social media presence . Can you help?
